

Comments	AONB Response
Catchment Partnerships; Stour and Poole Harbour Catchment Initiatives.	Amendments made
Endorsing organisations are encouraged to respond to the emerging local plans in Dorset.	Partnership action
Ideally, the LAF would like to be part of the AONB Partnership Board, but we would certainly like to be listed as an organisation endorsing the Management Plan and helping with its delivery	Amendments made
The second entry is likely an error – for Dorset LEP read Devon? Should Local Area Partnerships, or similar bodies, be officially consulted?	Amendments made
Bridport Town Council would like to be added to the organisations endorsing the AONB management plan and would put forward Coastal Communities investments at West Bay, the Tourist Information Centre and the policies and projects set out in the Regulation 14 draft of the Bridport Area Neighbourhood Plan as a starter for our contribution to safeguarding the Dorset AONB.	Amendments made
No, other than please contact us with the final version so that DWT can consider endorsement	Action - once final approved
The revised management plan will be taken to a future DLNP Board meeting for endorsement when published. The DLNP Board will be meeting on 12 December 2018 and 13 March 2019.	Action - once final approved
